Title	The launch of Crown Weston Associates new Web Site
Date of issue	8 th January 2007
Publication number	2007-001

Today marks a key milestone for Crown Weston Associates, as we are proud to announce the launch of our new web site www.crownwestonassociates.org.uk which significantly builds upon our previous web holding page.

The site has been designed to be easily accessible and user friendly, enabling our customers, visitors and web browsers to quickly find out details about who we are, our approach, our aims and core values, the services we are able to provide, what our customers say about us, examples of recent assignments, our policies, published articles, case studies, current news releases/updates, future developments, links and our contact details.

Special Offer To celebrate our third birthday on 6th April 2007 and three years of successful trading, for all orders confirmed with a purchase order number between 8th January and 6th April 2007 exclusively, Crown Weston Associates will donate 7½% to charity for all work that is contracted with and delivered by us. Don't miss this fantastic opportunity to participate and help us in helping those who are less fortunate by contacting us for an initial consultation meeting to discuss your needs and allowing us to provide the solutions which enable growth, deliver results and delight customers.

Notes to the Editor

The Offer of a 7½% donation to charity for all work that is contracted with and delivered by us is exclusive and applicable only on orders confirmed with a purchase order number between the period 8th January 2007 to 6th April 2007, although the work may be delivered outside this period to meet the customers requirements. Crown Weston Associates celebrates its third birthday on 6th April 2007.

Crown Weston Associates

Established in 2004, Crown Weston Associates are a London based independent management consultancy developed to provide public and private sector businesses, organisations and partnerships with the necessary skills required to help them become more successful and effective in delivering their business goals. This is achieved through a flexible collaborative approach and by building strong and positive partnerships to provide tailored business solutions, enable and enhance growth, deliver results and delight our customers.

We are able to provide a broad range of management consultancy services including the balance scorecard, bid writing, business continuity planning and management, capacity building, change management, contract and supply chain management, organisational development, partnership and relationship management, process mapping, project management, quality assurance & improvement and risk management.
